#### A PLEA FOR THE SMALL BOYS.

EDITOR BULLETIN: -Baseball is the boys' game. No one has a more thorough liking for it than the street Arab. I would suggest to the League to make a ten or fifteen cent schedule for the small Hawaiian boy, who plays in the street with an old stave for a bat and a bunch of wound rags for a ball. There is plenty of room for them to stand round the railing. This would increase the receipts at the gate, and give great pleasure to the small boys from whom very largely our future teams will be Baseball. recruited.

#### A HARD ONE.

The following algebraic puzzle has been received from a subscriber of Spreckelsville, Maui. If the boys and girls who read the BULLETIN find it too hard ask your teachers to try it. All answers received will be

published in due time: Enclosed I send an arithmetical puzzle, it is for the readers of your

valuable paper. Here it is: A father has nine sons, their names are, commencing with the youngest: A, B, C, D, E, F, G, H, I. Required, first, date of natal days; second, their age on the 3d of May, 1890, (birthday of the youngest son).

FACTS.

1-Age of A added to age of I is 45.7 years.

Age of B less age of A is 11

Age of I less age of B is 29.45

2-Age of C is proportionate to age of A less 1.4775 as 25 years to

age of C. 3-Age of D added to age of E less 1.8, and this amount divided

by age of E less age of D is 12 Age of E less age of D added to 94.5, and this amount divided by

age of D added to † of age of E added to 0.775 is equal to 5.1 years. 4-Age of F added to age of G added to age of H is 78 9;

Age of F added to age of G less nge of H is 18.1; Age of F less age of G added to age of H is 24.3.

-Age of A + B + C + D + E + F +G+H+1-175.2 years.

# HONOLULUS HOISTED.

They Receive a Gift of Nine Goose Eggs.

Third Straight Triumph of the Californias.

Diminished Attendance .- Fair Wenther -- A Tired Throng.

Saturday afternoon saw the third straight triumph of the California baseball nine over local teams. It was fondly hoped that the Honolulus would improve their score of 1 to 20 runs in the first match. Meek was put in the box to help such a realization out, but had to be displaced by W. Lucas as a desperate resort in the eighth inning. The Honolu'us did their best to score but failed every time, and they proved helpless in preventing the visitors from piling up sixteen runs.

There was an appreciable falling off in the attendance. Scores of reserved seats stared blankly on the ground, while there were not nearly so many carriages behind the rail as on the previous day. Probably the bad weather of the morning and the still threatening aspect of the sky were the main factors in this strange result for a Saturday.

Chas T. Wilder and M. Keohokalote were umpires, and J. W. Winter scorer.

RECORD OF THE GAME.

1.-Wodehouse opened grandly for the home nine with a two-bagger to the left, going to third on Coyne, who was put out by a throw from the pitcher to first base, after Chandler had retired on a fly to the same spot. Wilder took base on balls and stole second, but Whitney disappointed the fair prospect of a score by going out like Coyne. -0.

Cahill got first on Wodehouse's failure to grapple with a low-thrown ball, got second on Farrell's cut by Wodehouse from Whitney, third on Howard's base hit, and home on Powers out at first from Chandler. Howard stole third and came home on Sharp's single. Reilly was flabbergasted by Wodehouse from Meek.-2.

2.—Conradt made the second bag by a beautiful grounder close to the line running to the extreme left, but was put out trying to steal third. A. Lucas hit to Reilly, who intercepted him at first. Friedenberg made third out by hitting the atmosphere instead of the Spalding-sphere.

Creamer started a pienie with single, Leveque, Ward, Cahill (singles), and Farrell (double) following him round the bases, the lastnamed on Powers, after Howard had been dropped at first. Powers reached third on Coyne's shortcoming, and came home on Reilly's first by a muff of Wodehouse, after Sharp had struck out. Creamer ended the misery of beholders by hitting a fly to Chandler .- 6, total

3.-Meek hit a fly to Farrell, Wodehouse was dropped by Reilly's unerring throw to Powers, and Chandler went the same way.

Leveque rapped a fly to Coyne. Ward made a base hit, coming home on Cahill's three-baser. Far rell tipped to Wilder, and Howard was dropoed by Meek to Wodehouse. -1, total 9.

4.—Coyne hit the air thrice. Wilder made a beautiful two-bagger, and was advanced to third by Whitney's single. Conradt struck out, and A. Lucas was cut off at first by Howard.

Powers made a double and scored just before third man out. Sharp failed on three fair balls, Reilly reached first on Meek's error, Creamer gave a fly to Whitney, and Leveque was snuffed out at first .-1, total 10,

5.—Friedenberg was put out by Wodehouse, Meek was caught out by A. Lucas, and Wodehouse by

Ward got base on balls, second on passed bail, third on Cahill, home on Farrell. Cahill flew it to Coyne, Farrell was cut off at first by Chandler's good throwing, and Howard egregiously failed in a bunt, that rolled easily to Wodehouse .- 1. total 11.

6.-Chandler hit to Howard and that was enough, Coyne was shelved by Powers without assistance, and Wilder missed three fair opportu-

Powers, Sharp and Reilly went out in a row, the crowd applauding the whitewash long and loud-Powers at first from the pitcher, Sharp by a fly to Conradt, and Reilly by Whitney's throw to first. -0, total 11.

7 .-- Whitney sent the missile rolling to Howard, who catapulted it to first ahead of the runner. Conradt, Lucas and Friedenberg made singles, but Conradt was cut off at

third, and Meek retired on strikes. Creamer was allowed to start another pienie by Wodehouse's failure to hold the ball, reached second on a passed ball (which Wilder redeemed by putting Leveque after a base hit out at second), and home T classes T on Leveque. Ward, Farrell and conts per month

Howard also scored, only the first having made a base hit. Cahiil, following Ward, made a single and reached second on an error, but Wilder cut short his career. Powers made a base hit, but was left by Sharp hitting a fly to Meck .- 1, to-

8,- Wodehouse, Chandler and Coyne, the latter on strikes, went out in short order.

Reilly got first on a muff by W. Lucas, who had just replaced Meek in the box, stole second and came home on a wild throw. Creamer hit a single, stole second and got to third on Ward's out. Leveque, fly to Coyne, Ward, throw from third to first, and Cahill, from short stop, ended the Californias' campaign for the day .- 1, total 16.

9.-Wilder struck out. Whitney fell at first from Reilly's hands, and W. Lucas from those of Howard. This was the new pitcher's first time at bat, and he ran like a deer but the ball got shead of him.

## HEALANI PICNIC.

The New Boat Club Covers Itself with Credit,

Friday night week it occurred to the Healani Boat Club in session to hold a picnic a week thence. The club is only a few weeks old, but the way its members hustled to make this event successful would reflect lustre on a veteran organiza-

Several hundred people went down to Remond Grove in two trains last Friday night. Splendid preparations had been made. The decorations showed much work to good effect. On the wall below the orchestra was a device of crossed oars on flags, with the club's initials. "H. B. C." in vines. A banner inscribed "Healani" was suspended above. Flags and streamers were hung in a circle over the centre of the floor, and the sides of the pavilion showed similar drapery in every direction. Not only was the interior brightly lighted with incandescent electric lamps, but numbers of these were distributed among the trees. The whole made a brilliant scene suddenly disclosed on the ar-

rival of the train. There were twelve dances on the programme and the floor was well filled with dancers throughout. The Royal Orchestra furnished music for the light tripping feet, and between numbers the Quintet Club, under direction of Mr. J. Ailau, with string accompaniments sang native songs in delightful style.

The comfortable swings under the trees were going all the time, and couples, triples, bevies, etc., were constantly strolling about the grove. The male spectators were rooted to the ground in groups by the hour discussing the baseball situation. Refreshments solid and liquid were

Many of the class "aged," including the BULLETIN reporter, returned to town on the 10:30 train. They packed three cars without leaving the place in a lonesome condition, as the grove was swarming with the folks who came out to see the "early birds" off.

Notes and Comments ... Latest by Steamer "Wainleate."

Our correspondent, writing from Kapapala under some disadvantage owing to the absence of notes which were left at Waiohinu, sends the following items in addition to those published by us on the 21st in-

The trial of Tawara Magohai, a Japanese employed on the Naalehu Plantation, charged with murder was begud on Wednesday, the 19th instant, before a foreign jury. The case lasted all day and the jury failed to agree upon a verdiet after deliberating five hours.

The defendant was charged with killing his wife on the 11th of March last, in broad day light, upon the road whilst returning from the Waichinu Court House to the plantation. The huseand was on foot and the wife on horseback, when opposite Dr. Oliver's gate, the luna, in charge of defendant for deserting bound service, observed in looking back that the woman was lying prostrate upon the ground and the husband stooping over the woman's body in the act of doing violence.

The deadly weapon used by defendant, being an ordinary jackknife, was produced in court. With this the defendant, after stabbing his wife about the neck and severing an artery, attempted to commit suicide by cutting his own throat. The knife was found a few feet from defendant's right side, as he lay upon the ground bleeding from the slight wounds inflicted upon himself. Dr. Foot of the district testified to seeing the woman die, and also as to defendant's wounds as he lay on the ground apparently senseless at the

The killing was proved beyond any reasonable doubt, but the defense put in was that of insanity. The ease was ordered continued to the next May Term at Hilo. Mr. D. H. Hitchcock of Hilo appeared for the defendant. The Hon. Mr. Apiki, Rep. member for Kau, was a principal witness in the case.

On Thursday morning the 20th Fuguda, a Japanese employed on the plantation at Naalehu, was tried for breaking into the plantation store. The jury returned a verdict of guilty and defendant was sentenced to 18 months imprisonment at hard labor and to pay a fine of \$20. The evidence in this case was entirely circumstantial but the verdict as to guilt was unanimous, D. H. Hitchcock of Hilo appeared as counsel for the defendant,

On Thursday afternoon the Chief Justice granted decrees in three divorce cases. Mr. W. C. Achi of Honolulu appeared as counsel for all the plaintiffs. The grounds were one for desertion, and two for adul-

The Court adjourned sine die on Thursday the 20th, at 3 o'clock p.m. His Honor the Chief Justice, members of the Bar, and others were entertained at dinner after adjournment of Court on Thursday afternoon, by Mr. H. Center, manager of the Hutchinson Plantation

Company. The Chief Justice and party left Waiohinu on the 21st for Kapapala Ranch, going through Naslehu, Hilea, Punaluu and Pahala. The ranch was reached the next day. Mr. Julian Monsarrat is the manager of this extensive estate, covering over one hundred thousand acres. On the way to the ranch His Honor stayed one night at Mr. Ed. Fuller's, manager of the Pahala Plantation.

NOTES.

Monday, the 24th, was spent by Chief Justice Judd and his party, riding over pahoehoe and the forest lands of the ranch. The manager was one of the party, who showed the party several herds of cattle and horses. The judge by the way is an expert on horses and cattle. We found these in comparatively good condition. There are about 6000 head of eattle. The stallions are Harry D. and Waterford, jr.

Our party spent Tuesday night the 25th, at the Volcano House. We visited the crater of Kilauea, and found Dana Lake in splendid activity. It was a grand sight.

On Wednesday, the 26th instant, our party of twenty was separated at the Volcano House, owing to some members going to Hito and some returning by the Kau side. Mr. Julian Monsarrat's pet Mon-

key was shot by him on the 22nd instant. Some one had been teasing the animal and in consequence he bit his master's hand which bled profusely. Dr. Foot was called in to sew up the wound. His hurt, however, did not prevent Mr, monsarrat's efforts to entertain his

Hon. S. L. Austin called in at Kapapala Ranch on the 27th instant on his way to Hilo from Kona. He says there are fewer appeals in the two Konas than formerly.

The present telephone system in Kan works splendidly, and it will be a boon after the line is extended from the Volcano House to Hilo.
